

Hadas CBSE School

Annual Report 2022 - 23

Philosophy of our school.

Hadas CBSE School focus on child centric activity based learning. The school aims at physical, mental, emotional and intellectual development of a child with the dynamic with the dynamic approach and all round development, children will be able to face the challenges of life with confidence. School also believes in inculcating right values to create physically and morally strong human resource and developing human society.

Achievements:

We are proud to share that two batches of 10th from our school done academically well by giving 100% results and a good number of meritorious students. Kudos to the honest efforts and dedication of students and teachers too.

Interschool competitions:

Various interschool comp. were conducted in the year 2021 - 22. Our students excelled in various interschool comp such as Basket Ball, gymnastic, swimming, Badminton, skating. Students from our school like Tejaswi Harkare, Jidnya Zade, Arman Patil, Shravani Jambhulkar performed well and bagged prizes on state and district level.

School is having house system. We have four houses as -

1. Aryan - Red house
2. Aditya - Yellow house
3. Abhay - Green house
4. Anant - Blue house

School children are distributed among these four houses. Children have interhouse competitions. By this we encourage them to perform boldly and develop team spirit.

We are always in news due to achievement of our students in various fields and competitions like elocution, sports, essay, debate etc.

Events and educational excursion:

We organise various events through the year like science exhibition, maths exhibition, fun fair, elections etc. children learn various leadership qualities by these events.

Educational excursion are also conducted, various visits to orphanage, old age homes were organised.
